

## UltraMatic 380/390

The latest generation !

### ■ FEATURES

This product combines the latest banding technology based on its technique and product safety.

The change of paper and film can be made fast and easy due to the half automatic feed in system. There is no need of machine altering.

The table banding machines - UltraMatic 380/390 are unique in their class. The newly developed quick sealing technology makes it possible to use three different kinds of banding material.

- Paper brown
- Paper white
- Film transparent

### ■ TECHNICAL DATA

Frame size	UltraMatic 380: Width 390 mm, Height 205 mm UltraMatic 390: Width 390 mm, Height 275 mm
Feed in system	Half automatic
Band width	29 mm
Tension	Variable
Voltage	230V / 50 Hz - 200 W
Speed	~ 28 cycles

### ■ SPECIFICATIONS

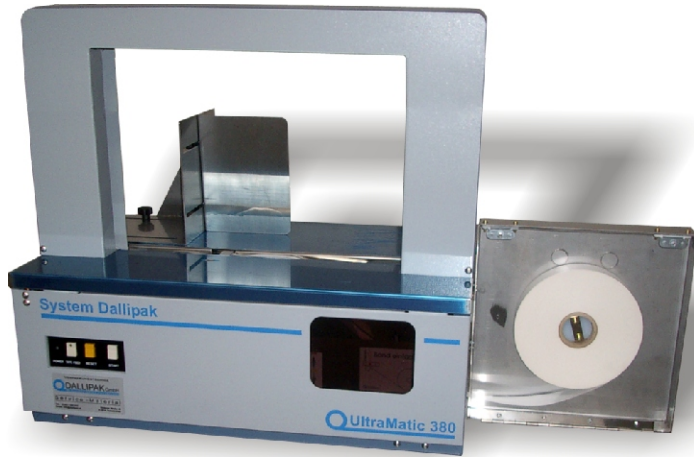

Machine height	UltraMatic 380: 490 mm UltraMatic 390: 560 mm
Width	570 mm
Depth	370 mm
Weight	33 kgs

Banding table  
variable in height

# Banding - In Time !

- Quick product cycles
- Optimal band tension
- Economic banding material

## ← UltraMatic 390

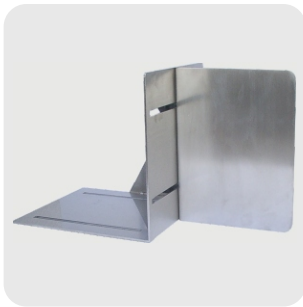

The UltraMatic 390 is technically identical to our UltraMatic 380. One advantage of this machine is that it can band products with a height up to 270 mm. So the machine moves into the area of floor-mounted appliances but with a much more interesting price.

### ■ BANDING MATERIAL

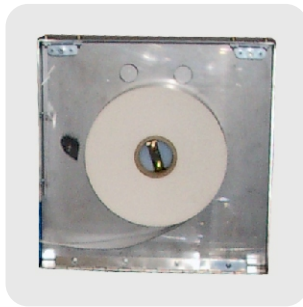

Type	Width	Length
Film transparent	29 mm	200/500/850 m
Paper brown	29 mm	200/500/800 m
Paper white	29 mm	200/500/800 m

- Advantages**
- Latest Banding technology
  - Simple in Usage
  - Stable construction
  - Wear and tear free frame
  - AC-Motors with direct drive
  - Operation through footbar switch or photo lense eye

## Additional Equipment

The product stopper made out of stainless steel can be adjusted vertically and horizontally via handscrews.

You can use rolls with up to 500 meters in our side roll dispenser.

The wagon (400x800 mm) is variable in height and built out of burnished, stainless steel.

Our long roll dispenser is variable in height and makes it possible to use long rolls with up to 1000 meters.
